

INDIAN SCHOOL KHASAB
Circular to the Parents of Classes I to VIII
BAGLESS DAY AS PER NEP 2020

Ref No-CR/05 /2025-26

May 22, 2025

Dear Parents,

Greetings from Indian School Khasab!

In line with the recommendations of the **National Education Policy (NEP) 2020** to promote **experiential and joyful learning**, our school will be organizing a **Bagless Day** on **Thursday, May 29, 2025**.

On this special day, students are encouraged to come **without their books** and instead engage in **hands-on, activity-based learning** designed to foster creativity, collaboration, and critical thinking.

Students are requested to:

- Wear the regular school uniform
- Carry water bottle, snacks and the materials required for the various sessions.

In addition, we are happy to inform you that, as per the decision of the Board of Indian Schools in Oman, we are commencing **Financial Literacy sessions for students of Classes 5 to 8**. These sessions will be integrated into the activity-based schedule to help students build essential life skills from a young age.

Let us work together to make this day a **memorable and enriching experience** for our students.

The **detailed schedule for each class** is enclosed for your reference.

Warm regards,

Bindhu Saji
Principal
