Dear Parents,

Warm greetings from Indian School Khasab!

As we approach the much-awaited summer break, we are pleased to share a set of meaningful and engaging holiday activities designed for students of all age groups. These activities aim to promote creativity, critical thinking, and family bonding while ensuring continued learning during the holidays.

The booklet titled "**Summer Holiday Activities**" has been thoughtfully curated to include fun, educational, and skill-building tasks that can be done at home under parental supervision. It has been categorized age-appropriately to suit the developmental needs of each group.

We request your support in encouraging your child to participate in these activities with enthusiasm and to maintain a record of their work, which may be shared with the respective class teachers after the vacation.

Please note that the school will close for the summer vacation from Thursday, June 5, 2025. The last working day will be **Wednesday, June 4, 2025**. The school will reopen on **Monday, July 28, 2025**.

We wish all our students and their families a safe, joyful, and enriching summer vacation!

Warm regards,

Bindhu Saji
Principal
